

Health Savings Account

Why You'll Love It

- Triple tax savings: contributions, investment growth, and qualified withdrawals are tax free.
- No use it or lose it - any unused funds roll over year to year.
- The account is yours to keep forever, even if you switch health plans, jobs, or retire.
- You can pass your HSA money to your heirs.
- Any money you put into your HSA reduces your federal taxable income.
- Invest your funds and experience tax-free growth for healthcare expenses.

Set aside pre-tax dollars for current and future health needs

There are thousands of eligible expenses covered by an HSA:

- Deductibles
- Copays
- Prescriptions
- Braces
- LASIK
- Glasses and contact lenses
- Band-aids
- Sunscreen
- Over-the-counter medicine
- Feminine menstrual care

2022 Contribution Limit

Individual: \$3,650

Family: \$7,300
